at

Myrick Hixon EcoPark

Our Vision is to:

Achieve community understanding of, and respect for nature and to protect the environment for future generations

Our Mission is to:

Create a unique destination with dynamic educational programming, interactive displays, and live animal exhibits that will advance the appreciation and conservation of our natural resources.

Volunteer Opportunities

Program Leaders– If you have a genuine desire to share your love of nature, become a school program leader! Thousands of children participate in hands on activities and develop a basic understanding of our environment. Training seasons are available Sept/Oct, Jan/Feb, April/May.

Public Program Speakers– We'd love to have you present a public program, usually weekends or weekday evenings. The program can be directed towards adults and children.

Frog Call Survey– Learn about frog vocalizations and population trend. Listen for frog call at the La Crosse River Marsh from April until August.

Facility Rental Manager– We need volunteers that are willing to manage the building during evenings and weekends. Duties include: opening and closing the building, monitoring guests, and being available to answer questions.

Prairie & Trail Work– Help us restore our native prairies on top of the bluff. Work on burns, seed collecting, planting and sumac cutting. Help maintain our trail system.

Reception Desk/Gift Shop– Staff the reception desk weekdays and weekends. Greet visitors and answer phones. Weekday & Weekend Opportunities.

River To Ridge Run/Walk– This annual run/walk from the Mississippi River to the top of the bluff needs volunteers for registration, course marshals, water stations and fish. Get a t-shirt and a delicious burger for your hard work.

Mailing– Help during the week with newsletter, events and other mailings. Help is needed during the weekday about once a month for 1-3 hours.

Enchanted Forest– Dress up as a storybook character and hand out goodies to young trick-or-treat hikers, help set up or help with treats.

Baking– Make goodies for our Summer Adventure Programs, River to Ridge, Enchanted Forest and other promotions.

Cardinal, Blue Jay, or EcoBear– Be one of those at special events, booths, birdseed sales, or other promotions.

Butterfly Garden– We need summer staffing for our butterfly house.

We also need help with: Animal Care, Carpentry, Handiwork, Repairs, Sewing (costumes), Licensed Bartenders, Computer Help (Data Entry), Bird Seed Sales, and Other Promotions/Booths.
